### Class Description:

We all have projects that we’ve started but put aside because we didn’t understand the directions, the gauge was wrong, or because we just plain ran out of time. Pull out one of those projects and give yourself the gift of time to work on it while receiving focused help from the instructor. Are you hesitant about a new project or skill? This class is for you, too!

\*Children ages 12 and up are welcome to take this class.

### Prerequisite:

None.

### Required Supplies:

- Current project(s) or UFO’s (unfinished objects!)
- Pattern to accompany project
- Crochet hook or knitting needles as indicated in your pattern
- Any notions recommended in the pattern (stitch holders, markers, etc...)
