Class Description:

Learn to knit a pair of cozy textured socks. The Two at a Time Magic Loop method uses one long circular needle – no double points to drop and no laddering between needles! These socks are knit with worsted weight yarn, making them a relatively quick to knit project. **Expect to complete homework between sessions.**

Prerequisite:

Mastery of all basic knitting skills; experience with pattern reading and knitting in the round with double point or circular needles.

Required Supplies:

We will be knitting the H Sock on page 92 of the required book. This pattern was chosen because worsted weight works up more quickly than sock weight yarns. If you would like to knit a different pattern in the book, you may choose to do so. Keep in mind that you will have more work to complete between classes if using a finer weight yarn.
