Workshop Description:

If you have learned the basics of tatting, need a little help getting started on a new project, love to socialize with people who are passionate about tatting and want to get some inspirations from Vikki's fabulous tatting projects, then this workshop is for you! The Tatting Workshop is held on a monthly basis. You'll register for each month individually and attend as frequently or infrequently as you are able. Vikki will be available to answer questions, problem solve and nudge you into trying something a little more challenging than you thought you could do!
