

Wefty Fabric Weaving Workshop

Instructor: Mary Siekmann

Supply List

Workshop Description:

In this workshop, you will learn how to create a 16" x 19" fabric panel that can be finished as a mini quilt or used in other projects such as purses, pillows or tote bags. You will be able to choose from a star or diamond pattern and then create variations on either design by using different color combinations. In the first class, you will prepare the weaving board, cut your strips, press and starch the strips and pin the first layer. You may have homework if you don't finish these tasks. In the second class, you will weave the 2nd and 3rd layers, fuse the weaving and sew around the edge.

Workshop Prerequisites:

None. Familiarity with cutting is helpful, but not necessary. If you decide to make your panel into a quilt or other project after the class, you will need sewing and/or quilting skills.
