

## Supply List

*Have you tried and just can't capture the likeness? Capturing your subject is simpler than you think.*

### Workshop Description:

Once you understand the fundamentals of drawing, your sketches will improve dramatically. In this sketching boot camp, we will explore line & contour drawing, translating 3D to 2D, forms, shadow and light, blending, hatching, illusion of space, depth and value. We'll do a primer on perspective, both one-point and two-point. The exercises in this workshop will give you the resources needed to practice techniques and get those sketches into shape. It will be a productive morning! Questions? Send an email to [patriciakelleyfuller@gmail.com](mailto:patriciakelleyfuller@gmail.com).
