

Beginning Watercolor Painting

Instructor: Pattie Kelley Fuller

Supply List

Workshop Description:

This beginning workshop welcomes individuals brand new to watercolor painting. It provides a welcoming environment and a unique place to learn all that you need to know to begin watercolor painting. We will cover supplies, e.g. paper, paints, brushes, which brands should be used and how each is used. You will learn the three most basic techniques in watercolor: wash, wet-into-wet and wet-on-dry paper and have time to practice yourself. The instructor will demonstrate and then move around the classroom providing ample time for individual attention. Once you have completed this class, you will be all set to join the watercolor studio class series the following week to apply all that you've learned and make some fantastic art!
